

# Afshin Nahian Tripto

Web developer

Dhaka, Bangladesh

## Profile

The joy of learning a new thing always thrills me, I've always wanted to make things that do things and coding was that magical tool that enabled me to achieve that

I tend to take responsibilities on my shoulder and deliver as expected. I acknowledge my mistakes.

I'm a firm believer of *"Be the Change"*

**Interests: Cricket, Video Games, AI**

## Skills

- **Frontend : HTML, CSS, REACT, WordPress**
- **Backend : Node , cPanel**
- **Mobile : Android Native, Flutter**
- **Cloud: Firebase, Heroku**
- **Others: Linux, PowerPoint, Adobe Illustrator**
